NEXT GENERATION
BIGGER, TOUGHER, SMARTER

FOR A PURPOSE-DRIVEN LIFE

The Ford Ranger® pickup is a natural-born worker with best-in-class¹ towing, payload and engine.

The enhanced towing and impressive payload capabilities of the Ranger brand are improved by a raft of available new driver-assist technologies. It has also undergone global testing from sub-zero to -50° Celsius temps to make sure it's robust, rugged and capable. Plus, the high-strength-steel frame and steel body ensure the next-generation Ranger truck is Built Ford Tough.® And when it comes to versatility, the Ranger pickup offers integrated rear bumper steps and a wider load box that easily accommodates Euro-sized pallets and a tailgate workbench to help make tasks easy.

WILDTRAK™ Luxe Yellow. Available equipment and accessories.

¹. Class is Midsize Pickups.

REAL-WORLD TECH

The Ford Ranger® pickup is equipped with next-level, personalized technology.

Take voice-activated SYNC® 4¹ with wireless Apple CarPlay® and Android Auto™ compatibility.² Navigate and control your apps on the available 10.1" or 12.1" touchscreen¹ or by using simple voice commands. This large integrated touchscreen puts control at your fingertips, while a new digital instrument cluster lets you customize the information you want to see. The available Selectable Drive Modes work effortlessly for on-the-fly confidence over all terrains. Plus, the available Dual-Zone Climate Control separates cabin temps for driver and front passenger, while available wireless charging³ allows you to charge your compatible smartphone without using a cable.
